

Notice Concerning the Establishment of a Subsidiary in India

February 26, 2026
Organo Corporation

Organo Corporation (Headquarters: Tokyo, Representative Director and President: Masayuki Yamada) is pleased to announce the establishment of a new local subsidiary in Mumbai, Republic of India.

1. Purpose of Establishing the Local Subsidiary

As part of our global business portfolio, we are advancing strategic investments in growth markets worldwide. India, in particular, is a market where significant growth is anticipated in the water treatment sector due to increasing water demand accompanying economic growth and rising environmental awareness. The establishment of this local subsidiary aims to strengthen our ability to gather local information, thereby identifying demand and reinforcing our business foundation.

2. Overview of the Local Subsidiary

- (1) Company Name : ORGANO INDIA PRIVATE LIMITED
- (2) Location : Mumbai, Maharashtra, India
- (3) Capital : INR 30 million (approx. JPY 51 million*)
*1 Indian Rupee = 1.70 yen (as of February 24, 2026)
- (4) Date of Establishment : February 19, 2026
- (5) Primary Activities : Market Research

3. Future Outlook

This matter will have a minimal impact on the Company's consolidated results for the fiscal year ending March 2026.
